Change from prior month

\*\* Balances shown for the Capital Improvement Projects (CIP) money market accounts (MMA's) are effectively overstated. Deposits have been made into these accounts monthly from the Central Checking Account with monies collected from water and sewer billings since the accounts' establishment in April, 2010. However, expenditures for these CIP's are being made out of the City's Central Checking Account. Periodically, reimbursement transfers are made from the appropriate CIP MMA to the Central Checking Account to cover expenditures that were made from the Central Acct on behalf of the CIP's, but these reimbursements lag in time.

### Notes to this Report:

On April 2, I transferred \$4,000,000 from the LAIF to the Bank of Rio Vista to take advantage of .4% interest in BRV versus the .257% interest in LAIF. This amounts to about \$5,700 more interest per year.

As of 1/31/14, Rio Vista has \$4,605,156.99 in the LAIF account which could be moved to Bank of Rio Vista or some other investment. The funds would earn approximately \$7,200 more per year in Bank of Rio Vista. The Council should strongly consider such a move.

Interest rates shown are as of end of current reporting period.

Total interest earned on the three water MMA's was approximately \$1658.
