

## City of Rio Vista Fire Department: Request for California Fire Code Review & Required Permit(s)

Requests for Fire Code Permits are to be submitted by completing this form. Please allow up to ten (10) days to process permit requests. A fee is required for all Fire Code Permits upon receipt through the City and payable prior to issuance. Please provide as much detailed information as possible to ensure the correct Construction Permit(s) is/are issued.

Indicate (by a check mark) on the back of this form, requested Fire Code Permit(s).
