

# What should a Site Plan include?

CITY OF RIO VISTA  
COMMUNITY DEVELOPMENT DEPARTMENT

## Example Site Plan

Show all property Lines

- Indicate scale: 1 inch = 40 feet, 1:20, etc.
- Indicate direction of the site and associated development with respect to the compass:

- Indicate easements and significant natural and man-made physical features (creek, hill, gas well site)

**Note:** This is only an EXAMPLE of the minimum information required on a site plan. Depending on the individual circumstances, the Department of Community Development may require additional information in order to properly evaluate your request. Refer to the City's Zoning Ordinance for setback, lot coverage, floor area ratio and other applicable zoning standards.
