Title 13, Chapter 13.04 Billing and collection of charges

All water charges shall be billed monthly and be due and payable upon receipt.

Meter billings: Water meters shall normally be read at the end of each calendar month and the resulting water charges shall normally be billed and mailed no later than two (2) working days after the 1st of the following calendar month.

Water customers are responsible for charges, even if they do not receive water bills.
