Residential Lock Box Program

The City of Rio Vista participates in a residential local box program to expedite access to your home in the event of a medical emergency. Participation is voluntary; but, highly encouraged if you may need our services. The lockbox program reduces the probability of property damage in the event first responders must access your home in an emergency.

Knox Home Box

How do I get a Knox Home Box?

Order online at: www.knoxhomebox.com

Be sure to choose “California” and “Rio Vista” under City and Community to ensure our keys will fit.

Who installs the Knox Home Box?

The Rio Vista Fire Department will be happy to assist you with installing the “over-the-door” style box. The Box may arrive open and we are also happy to assist you in placing your keys inside and locking it for you. Please contact the Fire Station once your box arrives and schedule an appointment.
